Sir,

Sub: Implementation of Examination Reforms– Reg.

This is to inform that in our institute the faculty members formulate the assessment plans for each of the course in the program which he/she is teaching to achieve the following.

- Alignment of assessment with learning outcome of the course
- Level of learning (cognitive) student is expected to achieve
- Assessment method to be adapted

However, to teach and assess professional outcomes and higher-order cognitive abilities, the following methods are adopted. Course projects, Project-based learning modules, MOOCs, Co-Curricular experiences, Mini / Minor projects, Final year projects and Internship experiences.

Thanking you,

With regards,
