PRINCIPAL

Compliance of the Academic Bank of Credit (ABC) as per MoE directives, (Applicable for Standalone Institutions, PGDM/PGCM and Universities).

Rajiv Gandhi College of Engineering and Technology (RG CET), Puducherry, diligently follows the procedures outlined by the Ministry of Education (MoE) regarding the compliance of the Academic Bank of Credit (ABC). This adherence ensures that RG CET aligns with the objectives of the New Education Policy (NEP) of the Government of India, facilitating seamless credit accumulation, transfer, and recognition across various educational programs and institutions. Below is a detailed overview of how RG CET complies with the ABC directives:

1. Introduction of the Academic Bank of Credit (ABC):

RG CET recognizes the importance of the Academic Bank of Credit (ABC) as a fundamental component of the NEP. The institution introduces ABC to facilitate the transparent and efficient management of academic credits earned by students across different courses and institutions.

2. Compliance Requirements for RG CET:

RG CET acknowledges and adheres to the compliance requirements set forth by the MoE for implementing the ABC framework. The institution ensures that necessary infrastructure, systems, and processes are established to facilitate the seamless exchange, verification, and transfer of academic credits among participating institutions and students.

3. Integration of Credit-Based Systems:

RG CET transitions towards credit-based academic systems wherein courses are assigned credit values based on predefined parameters such as learning outcomes, instructional hours, and assessment criteria. The institution adopts credit-based systems to accurately quantify students' learning achievements and progress within their academic programs.

4. Digitization of Academic Records:

RG CET digitizes academic records, transcripts, and credit certificates to facilitate their integration into the Academic Bank of Credit platform. The institution employs digital technologies, robust student information systems (SIS), and secure data storage solutions to ensure the seamless storage, retrieval, and transmission of academic data.

5. Standardization of Credit Transfer Procedures:

RG CET adheres to standardized procedures and protocols for credit transfer, recognition, and accumulation as prescribed by the MoE. The institution ensures transparency, fairness, and consistency in credit evaluation and transfer processes to facilitate student mobility and academic flexibility.

6. Establishment of Credit Transfer Committees:

RG CET establishes Credit Transfer Committees tasked with evaluating and approving credit transfer requests submitted by students. These committees assess the equivalence and compatibility of courses completed at other institutions with RG CET's academic requirements, ensuring the appropriate awarding of credits.

7. Student Support and Counseling Services:

RG CET provides comprehensive student support and counseling services to guide students through the credit transfer process. Trained academic advisors and counselors assist students in navigating the ABC framework, facilitating academic planning, and addressing any concerns related to credit accumulation and transfer.

8. Continuous Monitoring and Evaluation:

RG CET conducts continuous monitoring and evaluation of the ABC implementation process to ensure its effectiveness. The institution collects feedback from students, faculty, and administrators to identify areas for improvement and refinement of ABC policies and procedures.

9. Collaboration and Interoperability:

RG CET actively collaborates with other institutions to establish interoperable systems for data exchange and credit transfer within the ABC framework. The institution participates in interinstitutional agreements, partnerships, and consortia to facilitate seamless credit transfer and recognition, promoting academic mobility and enhancing educational quality.

10. Compliance Reporting and Documentation:

RG CET maintains accurate records, documentation, and compliance reports demonstrating its adherence to the MoE's directives on ABC compliance. These records serve as evidence of the institution's commitment to transparency, accountability, and quality assurance in higher education.

In conclusion, RG CET diligently follows the procedures outlined by the MoE for compliance with the Academic Bank of Credit (ABC). By embracing ABC, the institution enhances student-centricity, promotes academic mobility, and fosters innovation in higher education delivery and governance.

CIRCULAR

Attention: RG CET Students,

We hereby notify all first and second-year B.Tech., M.Tech., MBA, and MCA students to register for **ABC-ID** without fail and submit their registration by **February 16, 2024**. It is imperative to emphasize that student results will be exclusively posted on ABC-ID. Students lacking valid ABC-ID registration will face result withholding.

Students who have already completed their ABC-ID registration and submission need not take further action regarding this circular.
