CIRCULAR

Dear staff and students,

We wish to formally communicate an important update regarding the operational hours of our college effective from **March 11, 2024**, onwards until further orders. In light of our commitments to both NAAC Work and SPARTA 2024, we have made the decision to extend the **closing time until 5:00 p.m.** specifically on **Mondays, Wednesdays, and Fridays**.

This extension is imperative to accommodate the additional demands and activities associated with NAAC Work and the forthcoming SPARTA 2024 events. As such, we kindly request your cooperation and understanding as we make these adjustments to better serve our academic and extracurricular commitments.

Furthermore, please note that preliminary sports events for SPARTA 2024 will take place between 4:00 p.m. and 5:00 p.m. during these extended hours. For students not participating in these sports activities, you are welcome to depart the college premises by 4:00 p.m.

However, it's important to be aware that the **college bus service** will commence its operations at **5:10 p.m.** exclusively on the aforementioned days. We urge everyone to plan their departures accordingly and utilize the transportation services provided for your convenience and safety.

Your cooperation and understanding during this transitional period are greatly appreciated as we strive to maintain the excellence and vibrancy of our college community.
