**From**

The IQAC Coordinator,  
Rajiv Gandhi College of Engineering and Technology,  
Kirumampakkam,  
Puducherry.

**To**

The Principal,  
Rajiv Gandhi College of Engineering and Technology,  
Kirumampakkam,  
Puducherry.

**Respected Sir,**

**Subject: Submission of Consolidated Feedback Analysis Report for the Academic Year 2023-24-reg**

I am pleased to submit the Consolidated Feedback Analysis Report for the academic year 2023-24 for your kind review and consideration. This report provides a detailed analysis of feedback gathered from various stakeholders, including students, alumni, faculty members, and employers. It offers valuable insights and actionable recommendations aimed at enhancing the overall development of our students and the institution.

Thanking you

Yours faithfully,

Enclosed: Feedback Analysis Report

## Consolidated Report of the Institute for Feedback Action Taken - Academic Year

2023-24

S.No	Stakeholder	Action Suggested	Action Taken
1	Students	Provide internships starting from the 3 <sup>rd</sup> semester to initiate professional journeys through projects.	Various hands-on training programs are conducted by IBM, MSME, and MoU-signed organizations to enhance student skills.
2	Students	Ensure timely availability of study materials.	LMS system introduced for all subjects, allowing students to access study materials. Additionally, all HoDs ensure faculty adhere to the teaching-learning process.
3	Students	Improve placements, cafeteria, and sports facilities.	- Flipped books introduced for placement preparation. Regular sports and cultural practice sessions scheduled after college hours. - Plan to add another cafeteria.
4	Teachers	Maintain the satisfactory academic environment while enhancing overall performance.	No action needed. HoDs are advised to continue the current practices for the forthcoming academic year.
5	Teachers	Foster more industry partnerships to provide better job opportunities.	HoDs instructed to sign additional MoUs with industries for departmental growth and better opportunities.

6	Teachers	Equip classrooms with digital projectors.	Decision made to establish digital classrooms in all departments, pending Chairman's approval.
7	Alumni	Enhance practical sessions alongside theoretical classes to provide hands-on experience.	HoDs instructed to ensure faculty effectively implement project-based and experiential learning approaches.
8	Alumni	Update the curriculum to align with industry standards and global trends.	Departments introduced value-added courses and organized seminars focusing on recent industry trends.
9	Alumni	Offer internships, practical teaching methods, and exposure to advanced technologies like data science.	All third-year students mandated to undertake either a mini-project or internship in their respective fields.
10	Employers	Train students extensively on technical skills, communication, and practical exposure.	Skill-oriented courses introduced in collaboration with IBM certification programs.
